

Dear Neighbors and Friends,

My name is Manuel Arisso Senior, Northern Florida Director for Victory for Youth/Share Your Heart. Victory for Youth is a 501(c)3 Faith Based Non - Profit Organization established in 1998, with Share Your Heart, created to recruit, and train caring adults who desire to serve their community in a meaningful way, by proving food, clothing, spiritual and emotional support to those most in need, our children and elders.

Since arriving, in Leon County and the surrounding counties, 2 years ago, we have partnered with DCF, Rickards High, Sabal Palms Elementary, and school guidance counselors throughout the county, providing assistance, to more than 24,000 families, with over 136,000lbs of food.

Last year Share Your Heart partnered with Lifeway Community Church, Hanger 38, Fellowship of Christian Athletes, Partners Fund, The Azpuru Family, Generation Church Miami, Alpha Consulting & Service Group, Open Vessels Ministries, and others, providing 350 Thanksgiving meals, including a turkey. This year, **with your help**, we are looking to serve 500 families providing them with full Thanksgiving meals.

Will you help us, put a smile in the face of a child, when he or she seats at the dinner table to enjoy a full Thanksgiving meal.

Thank you
Manny Arisso
