# THE NEHEMIAH PROJECT

## ***Approximately 445-432 B.C.***

Nehemiah was a common person in a unique position. He was secure and successful as cupbearer to the Persian king. Nehemiah had great influence. He was trusted by the king . He was also a man of God, concerned about the fate of Jerusalem.

While Nehemiah was serving the king wine the king noticed that Nehemiah 's heart was sad and asked Nehemiah why? Nehemiah answered the king “why should my face not look sad when the city where my fathers are buried lies in ruins and its gates have been destroyed and its **people are suffering?**” Nehemiah was very much concerned about the welfare of the Israelites.

The king then asked Nehemiah “What is it that you want?” Nehemiah **prayed** to the God of heaven and answered the king according to God’s plan. Nehemiah asked the king to send him to the city to rebuild it. Furthermore, he asked the king for letters to the governors. With these royal letters from the king Nehemiah would receive the open doors and provisions needed and all the supplies needed for the task and journey ahead in order to return back faster . Because the gracious hand of God was upon Nehemiah, the king granted his requests. Nehemiah then organized people into groups and assigned them to specific sections of the wall. As we know the construction project was not without opposition, but with prayer, encouragement, guard duty and unity the construction was done. **After building the walls, Nehemiah continued to organize the people, by appointing gatekeepers.** This led to a reaffirmation of faith and revival as the people promised to serve God faithfully and the mission was completed.

# 2012 to present

## WHO DID NEHEMIAH HAVE FAVOR WITH ?

THE PERSIAN KING 2000 Years ago.

## WHO IS THE KING IN 2015? THE FEDERAL GOVERNMENT, STATE OF FLORIDA OR LOCAL AUTHORITIES STATE OF FLORIDA

The State of Florida law states that the Federal Government cannot come into a state until it is declared a State of Emergency ( INDEPENDENT STATES).

## WHO DOES THE SHARE YOUR HEART VOLUNTEER CHAPLAIN HAVE FAVOR WITH SINCE 2012?

Share Your Heart has been given favor with the State (King) the Department of Human Services ( Department of Children and Families). That is why you are able to wear the logo on the left sleeve of your Volunteer Chaplain Shirt.

**DID THE KING GIVE NEHEMIAH LETTERS SO THAT NO GOVERNOR OR MAYOR COULD STOP HIM FROM GETTING THE SUPPLIES NEEDED TO BUILD THE WALL?** YES; just like Nehemiah's letters, our letter is the Memorandum of Understanding from the State of Florida that has opened doors of provision for resources to help those in need.

## WHAT ARE THE GATES IN 2015?

The gates are the Faith Based sites in the different zip codes and the Faith Based sites joining together for the welfare of the people. You as Share Your Heart Volunteer Chaplains are **the Nehemiah's** of this generation. The logistics are very similar, the location very similar, the plan very similar, but the mission remains the **SAME**: To be the congregation or person on whom God can depend to **ACT** for God in the world. Lets rebuild!! Lets bring about a spiritual awakening among God's people as it was then so let it be now!

# AFTER SCHOOL CARE PROGRAM GATE ADMINISTRATION

In order for Victory for Youth to provide free meals to our children in the After School Care Program, we must show proof that we are a self-sustaining organization by having \$50,000. By having this pre-requisite met they will provide meals at no cost and we will be able to feed 100 children every night. For many children this may be the only nutritional meal that they will eat in the afternoon/evening.

## **PLAN OF ACTION:**

\$3.00 x 100 children = \$300.00 Daily x 7 days = 2,100.00 x 12 weeks = \$25,200.00 per Gate.

\$500.00 one time donation from 40 Faith Based Site = \$ 20,000 in each Region ( Gate )

\$20,000 x 3 Regions (South, North, Central Gates) \$60,000

This will give us the required amount to operate this program.

After this initial investment, this program will be self-sustaining at 0 cost to us.

Each participating Faith-Based Site will invest in the program with a one-time seed donation of \$500.00 They will also provide the manpower for a maximum of 2 weeks of the year, to help host the program at specific sites that the USDA indicates have the greatest need to reach out to the children within their respective communities.

Please note this “seed money” will be kept in a specified bank account to be used only for the afterschool program as voted by each Gate Advisory Board in order to secure financial sustainability.
